## PRESIDENT'S COMMISSION ON WHITE HOUSE FELLOWSHIPS

THE WHITE HOUSE

August 5, 1985

85-1430/1

**ILLEGIB** 

Dear Mr. Casey:

I want to express my thanks to you for your interest in and support of the White House Fellowships program during the recent placement interview process for the 1985-86 class of Fellows. You and your staff were most cooperative.

I regret that it was not possible to accommodate your preference concerning the placement of a new Fellow. Since there were only fourteen Fellows selected for the year beginning September 1 and there were more than 35 placement possibilities, most departments and agencies that were interested in having a Fellow did not get one.

Although the interview process is time-consuming and frustrating at times for both agencies and Fellows, I believe the value of offering maximum choice to the new Fellows justifies the cost. I hope you agree and that you will participate with us again next year.

Again, many thanks for your interest and support.

Charles L. Heatherly Director

The Honorable William J. Casey Director Central Intelligence Agency Washington, D. C. 20505
